

Suggested Practice Routine (Revised for Progressing Players Jazz Stream)

1. Circle around Middle C Exercise
2. Rubank or other method Book 10 minutes
3. Jazz Book 10 minutes
4. Song Book 10 minutes (or longer if you want)**

** Substitute school music if you have it for song book stuff.

You don't necessarily have to play 6 or 7 days a week if you have a good routine. Playing 3 times a week using this routine will improve your playing more than playing 6 times a week without it.
